

CARMELITA J. MASSEFSKI

March 7, 1937 - June 25, 2020

Carmelita J. Masefski, passed away on Thursday, June 25, 2020.

She was born in Newark, NJ, the daughter of Catherine (La Falce) and Michael Fatigante. At East Side High School she met the love of her life, Walter Masefski. Their love continued through 57 years of marriage, until the passing of Walter, and will endure forever.

Carm was a loving mother to her 3 sons, Walter and wife Heidi of Massachusetts, devoted sons Michael of Bailey, Colorado, Scott and his caring wife Imara of Lake Hiawatha, New Jersey, and grandmother of 7.

For the past 34 years Carm worked in the engineering department in Montville Township, until she passed. She valued and took great pride in her work, developing many lasting friendships with her co-workers, who were more like family.

Carm was a wonderful, caring, and intelligent woman. It gave Carm great joy attending her grandchildren's school, sporting events, and milestones. She would be seen quietly cheering them on, glowing with pride. She always put her heart in everything she did, showing those close to her how special they were. We love you and will miss you so much. We lost a great mother, a beautiful grandmother, and amazing human being.

Carm was pre-deceased by her late husband Walt, mother Catherine, father Michael, dear brothers Michael & Jim. She is survived by, and will be terribly missed by her sons & their wives, grandchildren, especially Andrew, Sophia, Max, and Victoria, dear sister-in-law Janet Marlow and husband Ray, sister-in-law Judy, sister-in-law Eleanor, dear brother-in-law Richard, brother Joseph and wife Maryann, many nieces, nephews, great nieces, great nephews, cousins and friends whom she loved dearly.

Comments

“ To the Masefski Family:

I am so Sorry to hear about your Mom's passing. I didn't know or I would have been there for you. As I remember of her she was a sweat lady with class. But she will be missed by all. I hope all is well with you and your families.

With all my Prayers,
Patti Mabey
