

MATTHEW JOHN REGAN

April 22, 1988 - August 12, 2017

Matthew J. Regan passed away suddenly Saturday, August 12, 2017 at his home in Las Vegas, NV. He was 29.

Born in Denville, NJ,, he was a lifelong resident of Boonton before moving to Las Vegas several months ago.

Matthew was a proud member of the Grayhawks Youth football organization of Boonton, and in 2006 he graduated Boonton High School as an honor student, champion wrestler and All-Star football player. He was the Captain of both his high school wrestling and football teams.

He then attended Centenary College and earned the role of wrestling Captain again. He worked as an activities leader during Summer Camp at the local YMCA and in 2011 graduated with a B.S. degree in Business Administration as a two-time Academic All-American wrestler.

After college, he became a high-achieving employee at Prudential and College Hunks.

Most of all, Matt had a heart of gold and was a humble, kind, gentle man who believed he was saved by the Grace of God, through faith in Jesus for good works towards all.

Matthew is survived by his parents, Edward J. and Mary Ann (nee Guarino) Regan. He was a loving brother to Thomas Regan and Andrew Regan both of Boonton. He is also survived by his grandparents, Theresa and Carmen Guarino of Towaco, and Sally Regan (the late William) of Montville. He is also survived by many aunts, uncles and cousins.

The family would be grateful for donations to the Market Street Mission, 9 Market Street Morristown, NJ 07960. Or visit <http://www.marketstreet.org>

“ Matt,

Remember the time jon's ex girlfriends dad called the cops on me lol and the RA was looking for me and we were back in the room and I didn't want to walk outside and get in trouble alone and I said "Matt can you come with me" and you said "come on jor I don't want to get in trouble alright fine let's go" and we walked outside the RA and RD start asking me questions and they say " why are you here Matt?" And you said "well me and Jor are family so if he gets in trouble I get in trouble" and you didn't even know what was going on but you always had my back everytime and that's just one story you have done that 100 times for me and I couldn't ask for a better best friend. I love you brother. I'll always have you back and I know you will have mine.
