“ I just learned about Vinny's passing when I went to The Chelsea last night -- Joan, please accept my deepest condolences on your loss -- I always enjoyed talking to him, he always had a smile, and I would have liked to have had the opportunity to know him longer than I did -- May he rest in peace -- Charlie Vanyo

“ Dear Vinny, I met you and your wife when my Mom moved into Chelsea after my dad passed away. I remember how you both made her feel welcomed at the dining room table you shared for meals. Vinny, you always made sure to help her with ordering her ice cream with chocolate syrup, whip cream and a cherry on top. I thank you for watching over my Mom when I wasn't there. I feel so happy to have met you and your lovely wife. I always looked forward to see you both when I visited Mom. I am so blessed to have shared our times together talking and sharing concerns when I visited. I will miss seeing you each and every time I visit Chelsea now. GOD bless you, Vinny, I was so fortunate to have met such a wonderful man, YOU!!!! Love, Pat's daughter, Patti

“ When my wife and I got married we went to Ocean City Maryland on our honeymoon and ran into Vince at a pool, he jumped up and started yelling to everyone that we were newlyweds. He and Joan took us to dinner to celebrate. He was always a nice guy and very generous.

“ My heart is saddened for your loss. I cannot attend the service tomorrow as I am brand new on a job. Vinnie was like a second father to me, a voice a reason and an example of love growing up. I recall waking up at your house to find a glass of juice and vitamin out for each of us as he made us all breakfast. He lived for his family and shared a remarkable love with everyone. My prayers for all of you at this time. May God send His comfort and may you all keep him alive in your hearts. Pay his love forward into a hurting world. Sharon C.
